- Night clubs

## Physical Data

Specific Gravity:	1.05
Solubility in Water:	Complete
Boiling Point:	Not Applicable
pH:	Not Applicable
Fragrance:	Not Applicable
Physical Description:	Clear Aerosol Mist

## Reactivity Data

Stability:	Stable
Avoid:	Heat, Open Flame
Polymerization:	Not Applicable
Incompatibility:	Not Applicable
Hazardous Incompatibility:	Not Applicable

Full details are available on the Material Safety Data Sheet upon request.
