

Vaporize

Uses

- Neutralizes bad odor molecules, including tobacco, garbage, pet and cooking odors
- Great for hotels, restaurants, hospitals and transportation
- Lighter than air to sweep complete environment
- Uses essential oils, including eucalyptus, to capture and eliminate odors, not just mask them
- Permanent results
- Total fogging dispensing system

Current Clients

- The Berkshire Assisted Living Facility, Berkeley, CA
- Grand Bohemian Hotel, Orlando, FL
- Regal Sun Resorts, Disney, Orlando, FL
